

Preface

This book surveys award-winning teachers around the country about the best classroom management practices they use to reach all learners. This instant network in your hands is a one-of-a-kind educational resource.

Who Should Read This Book

This book is for K–12 educators who would like to know how the best teachers handle classroom management. It puts a network at your fingertips, providing names, postal addresses, and e-mail addresses of the teachers who share their strategies.

Acknowledgments

I thank all the generous teachers across the country who shared their insights. Grateful acknowledgment is also made to the contributors for special permission to use their material.
